

CREATIVITY & INNOVATIONS SINCE 1990

100% MADE IN INDIA

D'neema
Committed to Security

YEAR 2022

Welcome to Metal in Motion. Door hardware is more than a way to open, close and secure a space. To us, it is an integral part of a design theme.

The company embraces the values of customer satisfaction and innovation, integrating these core values into every aspect of its business. By working with Dneema, you will have access to a whole network of specialist knowledge and product excellence.

Our Products

Designed by product engineers and manufactured to world-class standards, our products include door hardware and furniture fittings constantly upgraded with continuous research. Dneema has proven its ability to design and produce stunning products that meet design intent.

Our Services

Our reputation is one of providing quality products since 1990 in INDIA. Our services include developing hardware schedules by industry recognized qualified personnel, and partnering with stakeholders to provide value for money products and services in a timely manner.

Our Commitment

- Partner with stakeholders to provide value for money
- Coordinate with door suppliers, consultants and multiple sub contractors
- Provide adequate warranty against manufacturing defects
- Ensure prompt after sales support
